The amount of the payment or reimbursement may not exceed the cost that the Government would incur to transport the baggage.

(3) The transportation allowance paid under paragraph (1) for an annual trip of an eligible dependent child who is attending a school outside the United States may not exceed the transportation allowance that would be paid under this section for the annual trip of that child between

the child's school in the continental United States and the member's duty station outside the continental United States and return.
